Development Code Amendment Application Process

1. Applicant Submits a Development Code Amendment Application to the Development & Public Works Department

- Applications initiated by the public shall be limited to twice per year. Applications shall be submitted to the Development & Public Works Department on or before January 5th of each year or July 5th of each year.
- The application must conform to the *Development Code Amendment Application Submittal Requirements Checklist* on page 3 of this application packet.
- Planning Division staff screen the submittal at the front counter to determine whether all required items listed in the *Development Code Amendment Submittal Requirements Checklist* have been submitted.
- Applications missing required items will not be accepted for submittal.

2. City Staff Conduct Detailed Completeness Check

- Planning Division staff conducts a detailed completeness check within 30 days of submittal.
- The assigned Planner notifies the applicant in writing regarding the completeness of the application.
- An application is not deemed technically complete until all information necessary to evaluate the proposed development, its impacts, and its compliance with the provisions of the Springfield Development Code and other applicable codes and statutes have been provided.
- Incomplete applications, as well as insufficient or unclear data, will delay the application review process and may result in denial.

3. City Council Reviews the Application, Holds a Public Hearing, and Issues a Decision

- This is a Type IV decision and thus is made after a public hearing.
- A notice is posted in the newspaper, and notice is mailed to property owners and occupants within 300 feet of the property being reviewed and to any applicable neighborhood association. In addition, the applicant must post one sign, provided by the City, on the subject property.
- Written comments may be submitted to the Development & Public Works Department through the day of the public hearing or comments may be provided in person during the public hearing.
- Applications are distributed to the Development Review Committee.
- After a public hearing, the City Council issues a decision that addresses all applicable approval criteria and/or development standards, as well as any written or oral testimony.
- Applications may be approved, approved with conditions, or denied.
- The City mails the applicant and any party of standing a copy of the decision, which is effective either on the date the decision is made or 30 days after the decision is made if there is no emergency clause in the adopting Ordinance.
- The decision issued is the final decision of the City but the City Council's decision may be appealed within 21 calendar days to the Land Use Board of Appeals.
